

Defending the Innocence of Iowa Minors

Below is a non-comprehensive compilation of books containing varying degrees of sexually explicit content and vulgar language. They are available for students to read and check out at the Pella Community High School, Middle School, Jefferson Intermediate, Lincoln Elementary and Madison Elementary schools.

The numbers following each book are based on a detailed grading scale found on the website, www.booklooks.org. This is a website created by concerned parents who wish to provide a quick guide for parents to access the appropriateness of a book for a child or young adult based on the content found between a book's covers. (Please note that the American Library Association classifies a young adult between the ages of 12-18.)
